14-Day Exchange Guarantee: The Customer/Borrower has 14-days and 500 miles to decide if they want to retain the vehicle. If not, the Customer/Borrower listed above may return the vehicle for a vehicle of equal or greater value (new monthly payment may vary from the original payment due to the vehicle’s residual value) as a replacement. **The Customer/Borrower must qualify for the Exchange lease and, they always have the option to retain the original lease.** There is a \$2.00 surcharge for every mile the vehicle is driven over 500 miles based on the odometer reading shown above. The Customer/Borrower is eligible for a one (1) time exchange with our 14-Day Exchange Guarantee. Day 1 of the 14-Day Exchange Guarantee begins when you execute your finance/lease agreement, regardless of time of day.

To exchange the original vehicle, you must let the Administrator (Claims@diftx.com) listed below know prior to 5:00 PM EST on the 14th calendar day after receiving your vehicle. The Administrator will coordinate the exchange with the original Selling dealer. We cannot accept a return if the car has been modified, in an accident or damaged, altered from the condition it was delivered in or had a lien or other encumbrance put on the vehicle (other than the original financing contract).

This exchange does not release the Customer/Borrower/Lessee from any financial obligation with respect to refunds or the timing of loan or lease payments.

By your signature below, you acknowledge you have read and understand this 14-Day Exchange Guarantee and no other verbal representations have been made to you that differ from these written provisions.
